NOTIFICATION

The number of seats sanctioned by the State Government for admission to the various undergraduate courses in the constituent and affiliated colleges under the University were fixed in the year 2010 vide Memo No. 15/M1-129/ 10-2656 dated 24.08.2010. In view of the intense and violent agitation carried out by a large number of students and admission seekers in the preceding year, i.e. 2014 and after the interference and approval of the representatives of Raj Bhavan and in anticipation of the approval by the State Government an enhancement of 30% seats were made by the University vide letter no. 5515 (R) dated 01.08.2014. The State Government was accordingly requested for according approval of such enhancement of seats. Since no communication in this regard was received from the State Government, the admission to the undergraduate courses in all the colleges for the session 2015-16 were allowed only against the seats sanctioned by the state government in the year 2010. However, a mass scale agitation for enhancement of seats for such admission is being carried out in all the Colleges. Most of the colleges have forcibly been closed by the agitationists creating the problem of maintenance of law and order. The District Magistrate, Saran also requested the University in a meeting on 20.07.15 for considering the proposal for enhancing seats for admission. The proposal was considered by the University. Keeping in view the circumstances as mentioned above and in the larger interest of the students and also in anticipation of approval by the state government, an enhancement of 25% of seats in the undergraduate courses is being allowed for the session 2015-16 only.
