Guidelines for Anti-Plagiarism Check of Synopsis

The steps involved in the checking of Synopsis for plagiarism is as follows:-

1. All the University department Heads (Chairman of DRC) and the members are made responsible for getting the submitted synopsis properly checked and tested by the Anti-Plagiarism Software “URKUND” at the level of Technical Committee for Plagiarism Test (TCPT).
2. Once the synopsis is approved for Ph.D. registration, the Chairman of the DRC/University Head of the Dept. must give a certificate regarding the plagiarism test of the concerned synopsis.
3. In addition to the plagiarism test, the synopsis must be presented before the DRC by the researcher as a part of presentation procedure in the presence of the thesis supervisor.
4. It is also perceived that the DRC shall issue a consolidated certificate including the satisfactory presentation of the synopsis.
